Questions testing fact recall have a black and white answer and test your ability to remember a fact that was presented in class. Scenario based questions will give you information about a situation and ask you to apply skills or concepts from the class to that situation.

**CPR Practice Test Questions and Answers 2018 + Free Quiz**

Answer b is incorrect because after you activate the emergency response system you should return to the collapsed victim and perform CPR until the emergency response team arrives. Answer c is incorrect because finger sweeps are indicated for relief of foreign-body airway obstruction (FBAO). You have no indication that the collapsed victim has an FBAO.
