

humanism a very short pdf

Humanism is a philosophical and ethical stance that emphasizes the value and agency of human beings, individually and collectively, and generally prefers critical thinking and evidence (rationalism and empiricism) over acceptance of dogma or superstition. The meaning of the term humanism has fluctuated according to the successive intellectual movements which have identified with it.

Humanism - Wikipedia

Secular humanism, or simply humanism, is a philosophy or life stance that embraces human reason, ethics, and philosophical naturalism while specifically rejecting religious dogma, supernaturalism, pseudoscience, and superstition as the basis of morality and decision making.. Secular humanism posits that human beings are capable of being ethical and moral without religion or a god.
