Perhaps the most comprehensive and authoritative reference for Native American history is the Handbook of North American Indian series published by the Smithsonian Institution under the general editorship of William C. Sturtevant. This twenty-volume series describes the history, culture, and language of the different Indian tribes of North America.

Native Americans and American History - National Park Service

Unit 1: Native Peoples of North America. The first Americans arrived in North America thousands of years ago. Early Native Americans were hunter-gatherers. Some early groups, like the Olmec and the Maya, settled in Central America and developed complex civilizations. These groups began farming and created their own calendars.
