Leadership is both a research area and a practical skill encompassing the ability of an individual or organization to "lead" or guide other individuals, teams, or entire organizations. [citation needed] Specialist literature debates various viewpoints, contrasting Eastern and Western approaches to leadership, and also (within the West) United States versus European approaches.

English is an Indo-European language and belongs to the West Germanic group of the Germanic languages. Old English originated from a Germanic tribal and linguistic continuum along the coast of the North Sea, whose languages are now known as the Anglo-Frisian subgroup within West Germanic. As such, the modern Frisian languages are the closest living relatives of Modern English.
