The pronoun you is the second-person personal pronoun, both singular and plural, and both nominative and oblique case in Modern English. The oblique (objective) form, you, functioned previously in the roles of both accusative and dative, as well as all instances following a preposition. The possessive forms of you are your (used before a noun) and yours (used in place of a noun).

The word "love" can have a variety of related but distinct meanings in different contexts. Many other languages use multiple words to express some of the different concepts that in English are denoted as "love"; one example is the plurality of Greek words for "love" which includes agape and eros. Cultural differences in conceptualizing love thus doubly impede the establishment of a universal ...
