

propaganda inc selling americas pdf

Propaganda in the United States is spread by both government and media entities. Propaganda is information, ideas, or rumors deliberately spread widely to influence opinions. It is used in advertising, radio, newspaper, posters, books, television and other media and may provide either factual or non-factual information to its audiences.

Propaganda in the United States - Wikipedia

America's Army is a game technology platform used to develop first-person shooter (FPS) video games published in 2002 by the U.S. Army. The game is branded as a strategic communication device, designed to allow Americans to virtually explore the Army at their own pace and according to their interests to determine if soldiering matches their needs, interests and abilities.
