Self-healing materials are artificial or synthetically-created substances which have the built-in ability to automatically repair damage to themselves without any external diagnosis of the problem or human intervention. Generally, materials will degrade over time due to fatigue, environmental conditions, or damage incurred during operation. Cracks and other types of damage on a microscopic ...

seeing energy fields. I am often asked about seeing energy fields around the human body and the most common questions are... What do you see? How do you see? Do you see coloured auras? Can you teach me? Seeing the energy field of any human being is the equivalent of interpreting their holographic blueprint or biofield.

In many traditions and mythologies, these three worlds correspond to the different realms of Self. The Upper World is the home of Spirit, the Underworld the home of Souls, and the Middle World is the home of the physical body and human ego. Different practices and techniques are used in each of the three realms to

help us spiritually mature and rediscover joy, peace and wholeness.
