Theology of the Body is the topic of a series of 129 lectures given by Pope John Paul II during his Wednesday audiences in St. Peter's Square and the Paul VI Audience Hall between September 5, 1979 and November 28, 1984. It constitutes an analysis on human sexuality. The complete addresses were later compiled and expanded upon in many of John Paul's encyclicals, letters, and exhortations.

Theology is the critical study of the nature of the divine. It is taught as an academic discipline, typically in universities and seminaries.. Theology is basically the study of deities or their scriptures in order to discover what they have revealed about themselves. While theology has turned into a secular field, religious adherents still consider theology to be a discipline that helps them ...

John Calvin: Predestination and Justice. In this second article in a series on John Calvin's doctrine of predestination, I will describe why and how Calvin chose to teach predestination. I also will articulate John Calvin's conception of justice, and his defense of predestination as just. In the first article I explained Calvin's doctrine of predestination itself.
