The workweek and weekend are the complementary parts of the week devoted to labor and rest, respectively. The legal working week (British English), or workweek (American English), is the part of the seven-day week devoted to labor. In most of the world, the workweek is from Monday to Friday and the weekend is Saturday and Sunday, but other divisions exist: for example, many countries observing a ...

In a relationship, a narcissist will use a variety of emotional manipulation tactics to hook, re-hook, and then string-along his partner. One of the most effective of these tactics is one that I call the soul mate effect. Along with its sister manipulation tactic future faking, the soul mate effect makes up the stickiest portion of the web that narcissists weave to capture their targets.
